Participating Local Educational Agencies

Participating local educational agencies (LEAs) included in the Special Education Local Plan Area (SELPA) local plan must be identified in Attachment I.

Special Education Local Plan Area—Local Plan Requirements

1. Describe the geographic service area covered by the local plan:

The Desert/Mountain Charter Special Education Local Plan Area (Charter SELPA) is composed of participating local education agency (LEA) charter schools and is the governance structure responsible for the implementation of the provisions of the Local Plan. The areas covered by the Desert/Mountain Charter SELPA are any area where an eligible charter LEA resides throughout the State of California requesting membership and obtaining approval into the Desert/Mountain Charter SELPA by the CAHELP JPA Governance Council.

2. Describe the SELPA regional governance and administrative structure of the local plan. Clearly define the roles and structure of a multi-LEA governing body, or single LEA administration as applicable:

The Desert/Mountain Charter SELPA regional governance and administrative structure of the local plan falls under the governance and administrative structure of the California Association of Health and Education Linked Professions (CAHELP) Joint Powers Authority (JPA). CAHELP JPA operates the departments of Desert/Mountain SELPA, Desert/Mountain Charter SELPA and Desert/Mountain Children's Center (DMCC, a mental health component). CAHELP JPA is a consortium of local school districts within our geographical region and charter LEAs throughout the State of California. Participating LEAs of the Desert/Mountain Charter SELPA have joined in a cooperative effort to provide for the coordinated delivery of programs and services, and to assure equal access to such programs and services to eligible individuals with disabilities requiring special education within the Desert/Mountain Charter SELPA. The CAHELP JPA Governance Council is the governing board of the Desert/Mountain Charter SELPA and shall adopt policies for the Desert/Mountain Charter SELPA and participating LEAs. The policies and procedures adopted by the CAHELP JPA Governance Council under the authority of the adopting LEA boards have the same status and authority as other LEA board policies. In adopting the Local Plan, each LEA agrees to carry out the duties and responsibilities assigned to each agency, or which may be designated at a later date through agreement/policy of the participating LEAs to assist one another with meeting the requirements of applicable federal and state law. Participating agencies may enter into additional contractual arrangements to meet the requirements of applicable federal and state law.

The CAHELP JPA Governance Council shall ensure that all Charter LEAs within the Desert/Mountain Charter SELPA shall have full access and opportunity to participate in the coordinated system of services for identified students with disabilities. To ensure that all identified students have access, a Charter LEA with assistance from the Desert/Mountain Charter SELPA office, may enter into a Memorandum of Understanding (MOU) and/or a contractual arrangement with the local SELPA or surrounding SELPAs or other LEAs within close proximity to the Charter LEA, including nonpublic agencies and nonpublic schools, to ensure that students are identified, assessed, receive individualized education program planning, review, and reevaluation. The function of the Desert/Mountain Charter SELPA and participating LEAs is to provide quality educational programs and services appropriate to the needs of each eligible student with a disability who is enrolled within the Desert/Mountain Charter SELPA. The Responsible Local Agency (RLA) Superintendent, and CEOs of the LEA Charters are responsible for the management and supervision of all special education program operations within the Desert/Mountain Charter SELPA. All such programs are to operate in a manner consistent with the funding provisions of the California Education Code, the Individuals with Disabilities Education Act (IDEA), other applicable laws, and Desert/Mountain Charter SELPA policies and procedures.

The San Bernardino County Office of Education (SBCOE) is also known as the Office of the San Bernardino County Superintendent of Schools (SBCSS) and will be referred to in this document as SBCOE. SBCOE is presently designated as the Responsible Local Agency (RLA) and Administrative Unit (AU) for the Desert/Mountain Charter SELPA, and the CAHELP JPA Governance Council may change the RLA and AU at its discretion and in accordance with California law.

All structural changes within the organization of the Desert/Mountain Charter SELPA, including changes in governance, are decided through deliberations of the CAHELP JPA Governance Council. All conflicts are ultimately resolved through deliberations of the CAHELP JPA Governance Council. However, most concerns are managed within various committee interactions. The Desert/Mountain Charter SELPA Executive Council and Steering/Finance Committee examines program issues, staffing needs, fiscal issues and advises the CAHELP JPA Governance Council regarding adoption of the Annual Service Plan and the Annual Budget Plan. If necessary, recommendations regarding policies, procedures, and the implementation of the Local Plan can be given to the CAHELP CEO for ultimate consideration by the CAHELP JPA Governance Council.

The Desert/Mountain Charter SELPA is governed by the CAHELP JPA Governance Council. The CAHELP JPA Governance Council shall be advised by the CAHELP CEO who shall, in turn be advised by the Desert/Mountain Charter SELPA Executive Council, Steering/Finance Committee and the Community Advisory Committee (CAC). The CAHELP CEO is responsible to ensure that all aspects of the approved Desert/Mountain Charter SELPA Local Plan are implemented according to the approved California Department of Education (CDE) Local Plan and by the CAHELP JPA Governance Council.

CAHELP JPA Governance Council

The CAHELP Governance Council shall consist of the Superintendent/CEO representing each of the LEA members of the Desert/Mountain SELPA, and two (2) CEO representatives from the Desert/Mountain Charter SELPA. A CEO representing multiple LEAs shall count as a single member of the Governance Council. Each member of the Governance Council may designate, in writing, an alternate representative, including but not limited to, another member of the Governance Council ("proxy") if the Superintendent/CEO is unable to attend a meeting; the designated alternate representative or designee shall have the full authority of the designating Superintendent/CEO for the purpose of decision-making. Such a designation must be received by the CEO prior to the commencement of a scheduled meeting of the Governance Council, and shall be good only for that meeting. One-third (1/3) of the members, represented in person or by proxy, shall constitute a quorum at a meeting of members.

The Governance Council is empowered to establish or to participate in the establishment of a system for determining the responsibility of member LEAs for the education of each individual with disabilities. The Governance Council is also empowered to designate an administrative entity to perform such regionalized functions as the receipt and distribution of all Desert/Mountain Charter SELPA funds. This may also include the provisions of administrative support, and coordination of the implementation of the Local Plan for the education of children with disabilities, and to undertake such ancillary and related programs as determined by the Governance Council. The Governance Council shall determine all policy matters for the CAHELP JPA.

Policies governing the Desert/Mountain Charter SELPA shall be adopted by the CAHELP JPA Governance Council and are included as part of the Local Plan. Input may be received from parents, staff, public and nonpublic agencies, and members of the public at large. Individuals wishing an opportunity to address the Desert/Mountain Charter SELPA Executive Council, Steering/Finance Committee and/or the CAHELP JPA Governance Council on a particular agenda item, or have the Executive Council, Steering/Finance Committee and/or the CAHELP Governance Council consider a topic, are invited to complete a Request to Address the Executive Council, Steering/Finance committee and/or the CAHELP JPA Governance Council form.

The CAHELP JPA Governance Council shall review the Desert/Mountain Charter SELPA Local Plan and recommend modifications on an annual basis or as necessary. The CAHELP CEO and Desert/Mountain Charter SELPA Executive Council, and Steering/Finance Committee shall assist the CAHELP JPA Governance Council with these reviews.

The CAHELP JPA Governance Council may initiate and carry on an activity, or may otherwise act in any manner which is not inconsistent with or preempted by law, and which is not in conflict with the purposes for which the Desert/Mountain Charter SELPA is established.

The CAHELP JPA Governance Council shall have responsibility for overall management and direction of the Local Plan development, implementation, and operation. Governance Council

members shall be involved in the budget review and approval process for the Local Plan. SBCOE serves as the current RLA, and any successors or later RLA, shall have responsibility for employing the number and type of Desert/Mountain Charter SELPA staff to meet the program and service requirements necessary for the implementation of the Local Plan as determined by the CAHELP JPA Governance Council.

5. Describe the policies and procedures of the SELPA that allow for the participation of charter schools in the local plan:

The function of the Desert/Mountain Charter SELPA and participating LEAs is to provide quality education programs and services appropriate to the needs of each eligible student, within the authorizing LEAs boundaries with a disability who is enrolled within the Desert/Mountain Charter

SELPA, including charter schools who operate as a school of the district or as a LEA.

The Desert/Mountain Charter SELPA provides supports throughout the State of California for member LEAs. The Desert/Mountain Charter SELPA provides technical assistance in ensuring that all Desert/Mountain Charter SELPA LEAs have the support necessary to fulfill their legal obligations under California Education Code, IDEA, and other applicable laws, and the Desert/Mountain Charter SELPA policies and procedures.

State law provides geographical restrictions on the operations of charter schools. Specifically, the geographic and site limitations of the Charter Schools Act apply to all charter schools, including non-classroom-based programs. Charter schools are prohibited from operating facilities outside of the geographical boundaries of their authorizing LEA, subject to limited exceptions. A charter school must identify a single charter school that will operate within the authorizing LEAs boundaries, and that all locations be identified in the charter petition. Additionally, where a charter school provides a majority of its educational services in, and a majority of its students are residents of the county in which it is authorized, the charter school may establish a resource center, meeting space, or other satellite facility in an adjacent county, provided the facility is used exclusively for educational support of students enrolled in non-classroom-based independent study.

Charters are welcome to apply for membership to the Desert/Mountain Charter SELPA on an annual basis. Notice on our website provides the timeline to submit applications. Once applications are received, the Desert/Mountain Charter SELPA team and at least one CEO from the Desert/Mountain Charter SELPA Executive Council conducts an on-site visit to the Charter LEA. Recommendations are then made to the Desert/Mountain Charter SELPA Executive Council for membership with final approval by the CAHELP JPA Governance Council.

For charter schools applying to the Desert/Mountain Charter SELPA, the charter must be a LEA for special education purposes. Charter schools who wish to be considered as a LEA have the option of joining a multi-district SELPA or a charter-only SELPA. Charter schools that opt for LEA status within a multi-district or charter-only SELPA assume legal responsibility for ensuring that children with disabilities receive special education and related services to which they are entitled under federal law. Desert/Mountain Charter SELPA is a charter-only SELPA. Charter LEAs across the state of California who are members of the Desert/Mountain Charter SELPA typically operate their own special education services by either hiring or contracting with qualified staff. Some Charter LEAs seek economies of scale by forming special education service collaboratives outside of the traditional Charter SELPA structure, either with other charter schools or nearby LEAs.

Charter schools that seek LEA status and membership in a SELPA must notify their current SELPA and the CDE of their intended exit at least one full year before exiting. The charter school shall also ensure that agreements with its authorizer are conducive to membership in a new SELPA. The charter agreement and/or Memorandum of Understanding (MOU) should allow the charter school to seek LEA status and/or change SELPAs.

The Desert/Mountain Charter SELPA Administrator (CAHELP CEO), in coordination with participating Desert/Mountain SELPA Charter LEAs, including those that are out-of-geographic boundaries, implement the Local Plan including the coordination of interagency agreements. Interagency agreements are a mechanism for interagency coordination to ensure services required for Free Appropriate Public Education (FAPE) are provided to eligible children with disabilities. Interagency agreements provide information regarding agency roles, services for children, financial obligations, participating entities, and a process for resolving disagreements among parties to the agreement.

For Charter LEAs located outside of San Bernardino County, the Charter LEA will coordinate service agreements with the County in which the Charter LEA is located, to preserve consistency of procedure among agencies.

Additionally, Title 5 of the California Code of Regulations 3062 requires that a master contract shall be used by a charter LEA when effectuating formal agreements with certified nonpublic agencies and nonpublic schools (NPA/S). The master contract shall specify the administrative and financial agreements between the Charter LEA and the NPA/S. A continuum of placements and services must be available if needed by a child with a disability. The term of the master contract shall not exceed one year.

A MOU is an agreement established with the charter school and its authorizer regarding the format, frequency, and scope of oversight activities. While not required, a MOU between the authorizer and charter school may specify how various aspects related to the charter school's operations will be handled. Some authorizers provide extensive language to be included in the charter petition itself governing these items, others will rely on a separate MOU to provide for areas beyond those covered in the petition. A MOU could include a provision for the educational services for children with disabilities, delineating the entity responsible for providing special education instruction and related services and the process through which such compliance will be achieved. The MOU should describe any anticipated transfer of special education funds between the authorizer and the charter school, or the SELPA and the charter school.

When a child with a disability enrolls in the Charter LEA and he/she needs additional related services, the services will be the responsibility of the Charter LEA. The Desert/Mountain Charter SELPA Administrator (CAHELP CEO) or designee will work collaboratively with the SELPA where the Charter LEA is located to contract with them or locate additional providers from the area. Clearly defined MOUs between the authorizer and the Charter LEA will help minimize and mitigate operational challenges for charter schools, authorizing entities, and the SELPA in which the charter LEA is located.

The Desert/Mountain Charter SELPA as authorized by the California State Board of Education assists California Charter LEAs that have successfully completed the Desert/Mountain Charter SELPA membership process and have signed an Agreement for Participation. Charter LEAs accepted into the Desert/Mountain Charter SELPA are deemed LEAs pursuant to Education

be made by the CAHELP JPA Governance Council as permitted under the JPA Agreement and Bylaws, and California and federal law.

1. Responsibilities for Distribution of Federal and State Funds

The governing boards of the LEAs participating in the Desert/Mountain Charter SELPA have agreed that students with disabilities will be provided with appropriate special education services. The CAHELP JPA Governance Council has been designated the authority to determine the distribution of all federal and state special education funds in order for LEAs to carry out their responsibilities. The AU shall be responsible for the distribution of funds according to an approved special education funding allocation plan. The CAHELP CEO is responsible to ensure the funds are distributed in accordance with the funding allocation plan.

The Desert/Mountain Charter SELPA Executive Council and Steering/Finance Committee shall participate in the development of the Annual Budget Plan for review and approval by the CAHELP JPA Governance Council. The Annual Budget Plan shall be distributed to LEAs and the CAC upon approval by the CAHELP JPA Governance Council.

State and federal funds are deposited from the San Bernardino County Treasury into the County School Service Fund (AU), unless otherwise directed by the CAHELP JPA Governance Council. The Desert/Mountain Charter SELPA provides an annual allocation plan to SBCOE for distribution of state and federal funds to the LEAs according to the approved schedule of disbursement.

c. The operation of special education programs:

The function of the Desert/Mountain Charter SELPA and participating LEAs is to provide quality educational programs and services appropriate to the needs of each eligible student with a disability who is enrolled within the Desert/Mountain Charter SELPA. The Responsible Local Agency (RLA) Superintendent, and CEOs of the LEA Charters are responsible for the management and supervision of all special education program operations within the Desert/Mountain Charter SELPA. All such programs are to be operated in a manner consistent with the funding provision of the California Education Code, the Individuals with Disabilities Education Act (IDEA), other applicable laws, and Desert/Mountain Charter SELPA policies and procedures.

The Desert/Mountain Charter SELPA will provide technical assistance in ensuring the Charter LEAs have support necessary to fulfill their legal obligations under California Education Code, the Individuals with Disabilities Education Act (IDEA), other applicable laws, and Desert/Mountain Charter SELPA policies and procedures.

d. Monitoring the appropriate use of federal, state, and local funds allocated for special education programs:

Funds allocated for special education programs shall be used for services to students with disabilities. Federal funds under Part B of IDEA may be used for the following activities:

1. For the costs of special education and related services and supplementary aids and services provided in a regular class or other education-related setting to a student with a disability in accordance with the IEP for the child, even if one or more non disabled children benefit from these services.

2. To develop and implement a fully integrated and coordinated services system. The CAHELP CEO, with the assistance of the Desert/Mountain Charter SELPA Executive Council, Steering/Finance Committee, and the AU shall be responsible to monitor on an annual basis the appropriate use of all funds allocated for special education programs. Final determination and action regarding the appropriate use of special education funds shall be made by the CAHELP JPA Governance Council through the Annual Budget Plan process.

The Desert/Mountain Charter SELPA monitors the distribution and appropriate use of funds and shares this information with the Desert/Mountain Charter SELPA Executive Council and Steering/Finance Committee. When necessary, meetings are held with individual LEAs for the purpose of monitoring funds.

The Desert/Mountain Charter SELPA is responsible for the preparation of program and fiscal reports requested by the State.

The CAHELP CEO shall be permitted to monitor the LEAs special education program implementation to ensure compliance in all areas including finance, service delivery, and legal requirements. If the CAHELP CEO or designee determines that an LEA is not compliant and/or not operating in a fiscally responsible manner, the CAHELP CEO may require that the responsibility for resulting costs be borne by the LEA or take such other action as may be required to remedy the matter. The LEA will have the right to appeal any such determination to the CAHELP JPA Governance Council. The decision of the CAHELP JPA Governance Council shall be final.

12. Describe how specialized equipment and services will be distributed within the SELPA in a manner that minimizes the necessity to serve students in isolated sites and maximizes the opportunities to serve students in the least restrictive environments:

Both state and federal law provide that students with disabilities are entitled to a free appropriate public education (FAPE) that includes special education and related services to meet their unique needs in the least restrictive environment (LRE). Each Desert/Mountain Charter SELPA member must ensure that all children served under their jurisdiction who have disabilities, regardless of the severity of their disability, and who are in need of special education and related services are identified, located, evaluated, and served. Therefore, a full continuum of services

SELPA

Fiscal Year

are available within the Desert/Mountain Charter SELPA.

Due to the large geographical area of the Desert/Mountain Charter SELPA, the Local Plan provides funding per the Desert/Mountain Charter SELPA Fiscal Allocation Plan to the member LEAs so they may appropriately provide for all students with special education needs attending their schools.

The CAHELP JPA Governance Council has indicated its strong preference for a decentralized structure that would keep as many children as possible appropriately served in their LEA of enrollment. It is felt that only when there is convincing evidence that a service is more economically feasible on a regional level would service be provided outside of the local LEAs. Leaving most programs with local LEAs will ensure their responsiveness to local interests and values; minimize transportation; encourage inclusion; and reduce duplication of administrative and service costs.

Policies, Procedures, and Programs
